You could've been all I wanted
But you weren't honest
Now get in the ground.
You choked off the surest of favors
But if you really loved me
You would've endured my world.

Well you're just as I presumed
A whore in sheep's clothing
Fucking up all I do
And if so here we stop
Then never again
Will you see this in your life

Hang on to the glory of my right hand
Here layed to rest, is our love ever longed
With truth on the shores of compassion
You seem to take promise to all of these songs

You stormed off to scar the Armada
Like Jesus played letter
I'll drill through your hands
The stone for the curse you have blamed me
With love and devotion, I'll die as you sleep
But if you could just write me out

To nevertheless wonder
Happy will I become
Be true that this is no option
So with sin, I condemn you!
Demon raiding in love.

Hang on to the glory of my right hand
Here layed to rest, is our love ever longed
With truth on the shores of compassion
You seem to take promise to all of these songs

One last kiss for you
One more wish to you
Please make up your mind girl
I'll do anything for you
One last kiss for you

One more wish to you
Please make up your mind girl
before I hope you die!
