Light
round and round with tickled toes
Bare-bummed, we all fall

Lit
arms and charm in living room
We play the Star Wars

next door
my bed is sad with Matthew
and I love the sweet kiss

I love
our battles in our dreams
Be nestled snuggly,
cry on

Luke, boy, did you bring the X-wing fighter?
I'm bent to please inside my armor

I will not fall..(yeah) fail

A wookie Chewbacca, Jabba, and all his friends love
Boba Fett's men representing the clone wars
restore, we all fall downward

Did you bring the X-wing fighter?
I'm bent to please inside my armor
I will fail

[x3]
I'd give it up if I were you (oh oh oh)
never, please, and I was more (than)

I'd give up if I were you

goodnight [x3]

whoa oh oh
summer, she's gone but I remain
summer, she gazed upon what I could know and
remembered it all fall downward

Did you bring the X-wing fighter?
I'm bent to please inside my armor
I will not

[x3]
I'd give up if I were you (oh oh oh)
never, please, and I was more (than)

I'd give it up if I were you
