Is this the way I want to see me?  
Please, leave your memories at the door.  
Why has the world gone off and deserted me?  
Why, there's just no room inside these walls.

You want it all,  
But did you want it tonight?  
Or you go through in there,  
As you wait by the light.  
Oh, can you see what you've been asking of me?  
With the turn of this knife, now I will take your life.

This scene, we'll cry no.  
Crying for mercy.  
Now it's time to pray for the end of our life.

There will be justice in murder.  
There will be justice in murder.

Now you've been for me, when no other could be.  
Well, I now grow old to forget all those.  
Blow off sorrow, goodbye tomorrow.

There is no worse than this curse you've given me.  
This new scene it's ending all for nought.  
I wish you the best when I'm lost to eternity.  
Now, do what you will so it hurts no more.

You want it all, but did you want it tonight?  
Or you go through in there, as you wait by the light.  
Oh, can you see what you've been asking of me?  
With the turn of this knife, now I will take your life.

This scene, we'll cry no.  
Crying for mercy.  
Now it's time to pray for the end of our life.

There will be justice in murder.  
There will be justice in murder.

Now you've been for me, when no other could be.  
Well, I now grow old to forget all those.

Drown all sorrow, goodbye tomorrow.

There will be justice in murder.  
There will be justice in murder.

Now you've been for me, what no other could be.  
Well, I now grow old to forget all those.  
Blow off, goodbye tomorrow.

There will be justice in murder, oh, no, no.  
There will be justice in murder.

Now you've been for me, what no other could be.  
Well, I now grow old to forget all those.  
Blow off, goodbye tomorrow.
