Come on, William, in sheepskin wearing  
I love following  
The day you took us away  
The day you took me through  
How I miss you  
I'll be there in your song  
I'll be there thinking  
Oh, how I loved you  
I'll be there in your song  
I'll be there in your song

I'm waiting  
I'm waiting for Nauraushaun  
I'm waiting  
She lies to us  
I lied to her  
Dear God, now what is he running from?  
Come on, William  
In nighttime when you're here  
I'd rather die here, I'd die here  
I'd die here with you any day  
Come on, grandfather  
In nighttime when you're here  
I'd rather die here , I'd die here  
I'd die here with you any day

Oh dear Lucy,  
You won't put out, or get out  
I love testing you  
I'll be there in your scene  
I'll be there waiting  
Oh, how I want to call to you  
Lucy walks away  
It looks done  
And we'll find her  
How I love you  
I'll be there in your in your song  
I'll be there in your song

I'm waiting  
I'm waiting for Nauraushaun  
I'm waiting

I lied to her  
She lied to us  
Dear God, now what is she running from?  
Come on, William  
In nighttime when you're here  
I'd rather die here, I'd die here  
I'd die here with you any day  
Come on, grandfather  
In nighttime when you're here  
I'd rather die here, I'd die here  
I'm dying here

Running around to tell you  
Children laugh behind you  
Waiting for us to wash your face, timing  
I'm waiting, Naurashaun, and all I need to know  
Lay me behind them before you leave  
Go, go, I'll follow you  
I can't hear you, can't hear you  
Leaving you now with my life without you  
Greater magic inside of you  
Speak a faster judgment  
Frantic to be shown the weakened  
Oh, what am I looking for  
The people the dead man sees, his fire  
We are looking for us  
You haven't completely lost  
You've given me a new start
