Attention, we have got a medical emergency
The patient's condition is critical and fading
Oh, I've got this under control
But there's no guarantee
Now should you question this professional opinion
It's time we'll spend wasting

And oh, if you wanna see
Go on and tear it out of me

This case is possibly the worst that I have ever seen
I see how vulnerable we as a people can truly be

And oh, if you wanna see
Go on and tear it out of me
And oh, if you wanna see
Go on and tear it out of me

Honey, release my heart, if you
Honey, release my heart, you let me go
Release my heart, if you, Honey
Do not let me
Do not let me go

A radio transmission sent to get the heart to listen
A radio transmission sent to get the heart to listen

Oh, oh this is love from a gurney
Oh this is love from a gurney
Oh this is love from a gurney

Believe in Number City

Honey, release my heart, if you
Honey, release my heart, you let me go
Release my heart, if you, Honey
Do not let me
Do not let me go

Honey, release my heart, if you
Honey, release my heart, you let me go
Release my heart, if you, Honey

Do not let me
Do not let me go
