I'm divided with decisions  
I'll call you through the permanent  
and carry the rise and fall of man  
to stomach the stabs  
I'll worry if I need to  
a book I never get to open up  
This city a blaze your body a flame  
I'm set to put out

If I'm dead  
then your alright  
I'll start killing when the dog starts asking to  
I'll start killing when the dog starts asking to

Your eyes bare curious  
and I'll show it if the word is true  
I'll chisel the ending skin and bone and toss a stone  
I'm quicker than the cure  
I'm sicker than the illness  
I've buried the cautious foot of man through a hRun  
Like Hellole in your hair

If I'm dead  
then your alright  
I'll start killing when the dog starts asking to  
I'll start killing when the dog starts asking to

she said your the one for me  
and he said baby I'm not who you thought I'd be

she said your the one for me  
and he said maybe I'm not who you thought I'd be  
maybe I'm not who you thought I'd be

so

run like hell, run like hell  
I can't believe they're coming for me  
run like hell, run like hell  
your mouth's my host a gunshot smoking

who shot freaky zeaky?
