Believer, Your spotlights on the subject so incorrect  
And suggestion, suggests that I am someone you  
should not respect  
Oh you wear your facade so well, covered up in a  
plastic shell.  
You're a liar, to everyone around you just don't forget

Face the honest truth  
You were never you  
And I'll be defiant, the lion  
Give them a fight that will open their eyes  
Hangman hooded, softly swinging  
Don't close the coffin yet, I'm alive  
And it's homecoming (2x)

Can you remember,  
When there was no wrong in what I could do?  
So young, biting off way more than I could chew  
And then one day I grew too old,  
And my cares were now theirs to mold,  
Please accept this, as my resignation, it's time to go.

Face the honest truth  
You were never you  
And I'll be defiant, the lion  
Give them a fight that will open their eyes  
Hangman hooded, softly swinging  
Don't close the coffin yet, I'm alive  
I'm alive.

I will now bleed, for what I believe in  
No more mistakes for them to make for me  
So goodbye, It's my time, for me  
To be me

Face the honest truth,  
You were never you  
And I'll be defiant, the lion  
Give them a fight that will open their eyes  
Hangman hooded, softly swinging  
Don't close the coffin yet, I'm alive(4)
