With the worries that I'd give her and she told the worst  
of me  
My wanting just to hold your neck in my arms and feel  
me squeeze  
No, I'm not going to give you what you want so if you  
please  
The sin that shapes your voice carries my ears, this  
new disease

Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from  
But I don't want to sleep without, so I bid to you,  
goodnight  
Tonight, sleep tight, my love

The anxious through the calming storm, you'll sit as  
you pray for rain  
I'll touch it if you ask me to but how it's up to you  
No, I'm not going to let you get up if you struggle  
willingly  
I'll favor all your form to show you how its been done to  
me

Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from  
But I don't want to sleep without, so I bid to you,  
goodnight  
Tonight, sleep tight, my love

With all the words you say, you'll say

You were so well behaved as you watched them made  
your way  
This gift for your engraved, the shift as you stretch  
your legs  
You were so well behaved, you were so well  
Who taught these tricks that make? You were so well  
behaved

If the world stops turning girl you better not stop

When I say there was nothing you could do to stop it,  
why'd you try?  
Then the ground stops parting through the silence as  
you woke up the dead  
Everything here dies alone

But I'm not quite sure what you've been told on labor  
day  
Ooh, I'm not starting with you but the faint of heart  
were worries way  
But I'm not quite sure what this unfolds on labor day  
Ooh, I'm not starting with you but the faint of heart

Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from  
But I don't want to sleep without, so I bid to you,  
goodnight  
Tonight, sleep tight, my love

Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from  
But I don't want to sleep without, so I bid to you,  
goodnight  
Tonight, sleep tight, my gun
