With the worries that I'd give her
In they told the worst of me
With my wanting just to hold your neck
In my arms and feel me squeeze

No, I'm not going to give you
What you want so if you please
The sin that shapes your voice
Carries my ears this new disease

Did somebody take your tongue?
In worries of the words that you couldn't say
If they could've saved them from

But I don't want to sleep without
So I bid to you goodnight
Tonight, sleep tight, my love

The anxious through the calming storm
You'll sit as you pray for rain
I'll touch it if you ask me to
But how is up to you

No, I'm not going to let you get up
If you struggle willingly
I'll favor all your form to show
You how it's been done to me

Did somebody take your tongue?
In worries of the words that you couldn't say
If they could've saved them from

But I don't want to sleep without
So I bid to you goodnight
Tonight, sleep tight, my love

With all the words you say
You'll save

You were so well behaved
As you arched and made your way
This gift for you engraved

The shift as you stretch your legs

You were so well behaved
You were so well
Who taught these tricks that make
You were so well behaved

If the world stops turning girl
You better not stop when I say
If there was nothing you could do
To stop it why'd you try

Then the ground starts parting
Through the silence
As you woke up the dead
Everything here dies alone

But I'm not quite sure what you've been told
On Labor Day
Uh, I'm not starting with you
But the faint of heart

While worries wait
But I'm not quite sure what this unfolds
On Labor Day, uh, I'm not starting with you
But the faint of heart

Did somebody take your tongue?
In worries of the words that you couldn't say
If they could've saved them from

But I don't want to sleep without
So I bid to you goodnight
Tonight, sleep tight, my love

With all the words you say
Did somebody take your tongue?
In worries of the words that you couldn't say
If they could've saved them from

With all the words you say
But I don't want to sleep without
So I bid to you goodnight
Tonight, sleep tight, my gun
