With the worries that I'd give her and, and told the
worst of me
My wanting just to hold your neck in my arms and feel
me squeeze
No, I'm not going to give you what you want, so if you
please
The sin that shapes your voice carries my ears, this
new disease

Did somebody take your tongue?
In worries of the words that you couldn't say
If you could've saved them from
But I don't wanna sleep without, so I bid to you,
goodnight
Tonight, sleep tight, my love

The anxious through the calming storm, you'll sit as
you pray for rain
I'll touch it if you ask me to but how is up to you
No I'm not going to let you get up if you struggle
willingly
I'll favour all your form to show you how it's been done
to me

Did somebody take your tongue?
In worries of the words that you couldn't say
If they couldn't saved them from
But I don't wanna sleep without, so I bid to you,
goodnight
Tonight, sleep tight, my love

With all the words you say
You say

You were so well behaved
As you watched them change your way
This gift for you engraved
This shift as you stretch your legs

You were so well behaved
You were so well
Who taught these tricks that make

You were so well behaved

If the world stops turning girl, you better not stop when
I say
If there was nothing you could do to stop it, why'd you
try
Then the ground starts parting through the silence as
you woke up the dead
Everything here dies alone

But I'm not quite sure what you've been told on labor
day
Ooh, I'm not starting with you but the faint of hearts,
were worries way
But I'm not quite sure what this unfolds on labor day
Ooh, I'm not starting with you but the faint of hearts

Did somebody take your tongue?
In worries of the words that you couldn't say
If they could've saved them from
But I don't want to sleep without, so I bid to you,
goodnight
Tonight, sleep tight, my love

With all the words you say

Did somebody take your tongue?
In worries of the words that you couldn't say
If they could've saved them from
But I don't want to sleep without, so I bid to you,
goodnight
Tonight, sleep tight, my gun
