

## Coheed & Cambria "Welcome Home"

Visit "[Welcome Home](#)" on MotoLyrics.com

You could've been all I wanted  
But you weren't honest  
Now get in the ground  
You choked off the surest of favors  
But if you really loved me  
You would've endured my world

Well you're just as I presumed  
A whore in sheep's clothing  
Fucking up all I do  
And if so here we stop  
Then never again  
Will you see this in your life

Hang on to the glory at my right hand  
Here laid to rest is our love ever longed  
With truth on the shores of compassion  
You seem to take premise to all of these songs

You stormed off to scar the armada  
Like Jesus played Martyr,  
I'll drill through your hands  
The stone for the curse you have blamed me  
With love and devotion, you'll die as you sleep  
But if you could just write me out  
To neverless wonder... happy will I become  
Be true that this is no option,  
So with sin I condemn you  
Demon play, demon out!

Hang on to the glory at my right hand  
Here laid to rest is our love ever longed  
With truth on the shores of compassion  
You seem to take premise to all of these

One last kiss for you  
One more wish to you  
Please make up your mind girl...  
I'd do anything for you  
One last kiss for you  
One more wish to you  
Please make up your mind girl...

Before I hope you die
