This is the hidden truth,
The world between the lines
Where there is no understanding us
These lines have marked divisions,
The weaker seek to malign
With this looming precious ending
There's no more room for reprimanding.

Oh, when the words are lightly thrown
In a world that's caught in a writer's web,
Humiliation reigns.

Just leave us alone,
If it's not worth the letting go,
It's trouble, woah, woah
Just leave us alone,
If it's not worth the letting go,
It's trouble, woah, woah

Communications breaking up,
The static cutting the lines
This lying liar's had his turn
You've managed nothing more
Than a pathetic attempt at attack,
But this heart is everlasting,
Pushing forward, never crashing.

Just leave us alone,
If it's not worth the letting go,
It's trouble, woah, woah
Just leave us alone,
If it's not worth the letting go,
It's trouble, woah, woah

State your case and go hide,
Leave us to your worst
I will never give in,
To the hurt of your lies
Cause there is no hope
For all your jokes.
And your plaguing insecurity
Now I'll play your enemy,

The only word you can find for me.

Just leave us alone,
If it's not worth the letting go,
It's trouble, woah, woah
Just leave us alone,
If it's not worth the letting go,
It's trouble, woah, woah

Just leave us alone, (In this world of lines)
If it's not worth the letting go, (the strong will decide)
It's trouble, woah, woah
Just leave us alone, (In this world of lines)
If it's not worth the letting go, (the strong will decide)
It's trouble, woah, woah
