Wise words from the departing  
Eat your greens, especially broccoli  
Remember to say "thank you" for the things you  
haven't  
Had  
By working the soil we cultivate the sky  
We embrace vegetable kingdom  
The death of your father, the death of your mother  
Is something you prepare for  
All your life  
All their life

Those lines are repeated over and over with the  
Following variations:

The death of the father and the death of the mother

Wear sensible shoes and always say "thank you"  
Especially for the things you never had

Is something you prepare for  
All your life  
All of your life

And enter the vegetable kingdom of our own heaven

By working the soil we cultivate good manners  
Is to say "please" and "thank you"  
Especially for the things you never had

And always say "thank you"  
Especially for broccoli
