Oh rose, thou art sick
Seduce.. let loose
The vision and the void
Blood sickle.. honey suck

In little children's heavy heads
My dreams erupt while in my bed
Innocence is dripping red

In dreams I walk with you
In dreams I talk with you
In dreams
You're mine
All of the time

Heads on fire and drunken lights
Days devoured by hungry nights
In love's secret domain
This is mad love
This is mad love
In love's secret domain

Sweet tortures fly on mystery wings
Pure evil is when flowers sing
My heart

My heart is a rose
This is mad love, Oh
This is mad love
In love's secret domain

Give sanity a longer leash
Some of us have sharper teeth
In love's secret domain

In dreams I walk with you..
In dreams I talk with you
In dreams..
You're mine
All of the time

Oh rose, Thou art sick

The invisible worm
The vision and the void
The blood sickle cuts
And the honey sucks

Oh rose, thou art sick.
