The Spoiler  
follows you  
In Spoiler's time  
from place to place  
Old man's eyes  
In a young boy's face  
Walking in  
Another's skin  
Secrets inside  
The Spoiler  
The Spoiler's catch  
Boys who exist  
In the stories of shadows  
On our walls  
Who take to the floor  
Like a falling wall  
To dance  
with oblivion

Black Boxes  
Black light  
He works  
At night  
The Spoiler  
If you're going to have any  
The Spoiler  
You've got to have enough  
His Head  
Resting  
His feet  
Continents  
His heart  
...Apart
