In the sky and in the eye and  
In the sky and in the eye and..  
If you want to touch the sky  
Just put a window in your eye  
See the sun and  
See the rain  
See the window  
See the pain  
See the sun and  
See the rain  
See the birds eye  
See the brain  
Ancient cities  
Rise again  
See microscopic  
See world view  
See the future  
Leaking through  
See the person  
Who once was you  
See the seashore and  
See the sand  
See the windows  
In your hand  
See the Lie.  
Gold is the sky  
In concentrate  
Power in its purest state  
Power surge  
Power will rise  
Through the windows and

Through the skies  
Misrule is kind.  
See the sky and  
See the eye and  
See the sky and  
In your hand in the sky  
And in your eye  
See the sky in your hand  
See the sky and understand  
Gold is the sky

In concentrate  
Power in its purest state  
Power will rise  
Power will fly  
Through the window  
Through your eye  
Gold is the sky  
Riches, treasures, riches  
Richard's treasures  
Riches, treasures, riches  
Gold is the sky  
In concentrate  
Power in its purest state  
Power will rise  
Power will fly  
Through the window and  
Through your eye  
Gold is the sky.
