They say don't change the old for the new,  
But I've found out this will never do  
When you grow old you don't last long  
You're here today and then tomorrow you're gone,  
I loved a man(gal) for many years gone by,  
I tho't his(her) love for me would never die,  
He(She) made some changes that would never do  
From now on I'm goin' to make some changs too.

Chorus:

For there's a change in the weather  
There's a change in the sea  
So from now on there'll be a change in me  
My walk will be diff'rent my talk and my name  
Nothin' about me is goin' to be the same,  
I'm goin' to change my way of livin' if that ain't enough,  
Then I'll change the way that I strut my stuff,  
'cause nobody wants you when you're old and gray  
Ther'll be some change made.

Verse:

They say the old time things are the best,  
That may be very good for all the rest  
But I'm goin' to let the old things be  
'Cause they are certainly not suited for me,  
There was a time when I thought that way,  
That's why I'm all alone here today  
Since ev'ry one of these days seeks something new  
From now on I'm goin' to seek some new things too.

Chorus:

For there's a change in the fashions,  
Ask the fiminine folks  
Even Jack Benny has been changing jokes,  
I must make some changes from old to the new  
I must do things just the same as others do,  
I'm goin' to change my long, tall Mamma(Daddy) for a  
ittle short Fat,  
Goin' to change the number where I live at.  
I must have some lovin' or I'll fade away,  
There'll be some changes made.

-----  
Here are additional choruses that appear on the inside page in the sheet music. Interesting.

1.

There's a change in your manner  
And a change in your way  
There was time once when you was O.K.  
You once said you save ev'ry kiss for my sake  
Now your're giving all the girls an even break  
I'm gonna send out invitations to the men I know  
Cause your're gettin' colder than a Eskimo  
I must have my lovin' or I'll fade away  
There'll be some changes made to-day  
There'll be some changes made.

2.

For there's a change in your manner  
There's a change in your style  
And here of late you never wear a smile  
You don't seem to act like a real lover should  
You can't thrill your mamma if your're made of wood  
I gotta have a man who loves me like a real live Sheik  
With a tasty kiss that lingers for a week  
I'm not over sixty so it's time to say  
There'll be some changes made to-day  
There'll be some changes made.

3.

For there's a change in your squewezin'  
There's a change in your kiss  
It used to have a kick that I now miss  
You'd set me on fire when you used to tease  
Now each time you call I just sit there and freeze  
You had a way of making love that made a hit with me  
One time you could thrill me but it's plain to see  
You're not so ambitious as you used to be  
There'll be some changes made to-day  
There'll be some changes made.

4.

There's a change in the weather  
There's a change in the sea  
From now on There'll be a change in me  
I'm tired of working all of my life  
I'm gonna grab a rich husband and be his wife  
I'm going to ride around in a big limousine

Wear fancy clothes and put on plenty of steam  
No more tired puppies, will I treat you mean  
There'll be some changes made to-day  
There'll be some changes made.

5.

For there's a change in your manner  
There's a change in your smile  
From now on you can't be worth my while  
I'm right here to tell you with you I'm thru  
Your brand of lovin' will never do  
I'm gettin' tired of eating just butter and bread  
I could enjoy a few pork chops instead  
You know variety is the spice of life they say  
There'll be some changes made to-day (I'll get mine)  
There'll be some changes made
