[Hook:]

Clap Your Hands With Me
If The Lord Has Set You Free
Say So If You've Been Redeemed
Come On Act Like You Know It
[X2]

[Verse 1:]

You See Somethin Happened To Me On The Inside... I've
Been Changed I Got This Feelin I Can't Hide... it Feels
So Good To Be Free Indeed... he Has Loosed The
Chains
That Were Holdin Me

[B-Part:]

I've Been Changed And I Don't Care Who Knows It... if
You've Been Changed Well Then Get Up And Show It

[Hook x2]

[Verse 2:]

And Now I'm Walkin In Liberty... life Is Sweeter Since
You Came To Save Me... I Found Peace Of Mind I Got
This
Joy Divine... and It's Stirrin Up In Me On The Inside

[B-Part]

[Hook x2]

[Bridge:]

Come On Clap Your Hands And Praise God With Me... all
Together Come On I Need All Ya'll Let's Do The Same
Thing... come On And Clap Your Hands And Praise God
With Me... all Together Come On I Need All Ya'll Let's
Do The Same Thing

[Hook x2]
