A penny for your thoughts,
A dollar for your prays.
Ten dollars for your blessing.
And your healing.
If you ain't got no money, get to stealing.
How would you feel if that's the only way he would
(answer).
Still you take it for grant.
Everyday you make it a habit.
Not to say thank you, you just expect and hope.

Are you grateful got alot of money.
Got alittle car, but you complain cause you want more.
Oh whoe oh be, oh be grateful for the little things you
got.
Everything you need, everyday your living everyday
you breathe just be.

You been waiting for somebody to love you.
Praying for somebody to kiss and huge you.You been
doing whatever you got to.

Hold on to the pass, cause the one your prayed for
don't seem like he'll come.
you want him now been waiting long enough, but you
don't know the things you been protected from so be.

Are you (grateful), In the bank you can buy, Always
wanting more.
Oh be grateful for the little things you got.

Everything you need, everyday your living
One.

Be what you gotta do to recieve, can you count your
blessings.
No and i know you heard that before.

but sometimes, you need to be reminded why.
Why you even worry at all, cause everyday it'll work out
so be.

Are you grateful got a little car, but you complain cause
you want more.
who always be grate - ful,
For the little things the itty bitty things.
You living and breathin just be
be grateful be grateful
Beside someone worse off than you.
Be grateful, be grateful
They really rather be in your shoes.

What are you complaining about.
Remember God he will work it out.
