Uh, uh, uh, ooh

1-2

Heh, heh

Coko, uh huh

Coko, uh huh

Misdemeanor here

1-2

hit me uh, 1-3

hit me uh, 1-4

hit me uh huh

I woke up this morning

My man, he wasn't sleeping

walked over to his boy house

I told him give me one reason

why he ain't been home since

I told him it don't make no sense

that I got to try and find him

Now he's got his boy lying

Chorus:

They say he be back

They say he gone to the store

He probably out drivin my car

goin to pick up all his whores

And I got one thing to say

Why you tryin to flake on me

'cause I used to have you tamed

Now you act like you're untrained

You say you're goin to a party

I see you got the stripper

You stand there lookin silly

the third time you'd have f\*\*\*ed her

Now you say that you're back on track

Like I'm supposed to believe that

that you are now confiding

Now you got your boy lying

Chorus

I don't know what it is about you

That always make me doubt you

It's those bad friends around you

Telling you what you should not do

(Repeat)

Chorus

Missy:

Why I gotta call yo boy crib  
Why I gotta ask what y'all done did  
Why I gotta sweat ya like a wack groupie  
See when I was a star you was claimin me  
Maybe 'cause my records ain't sellin no more  
And I ain't that fly that used to headline tours  
But, I'ma be for sure just even out the  
scores don't call Missy when yo a\$\$ go poor  
Check, check, check me one time  
Mmm, mmm, mmm, mmm, mmmm, mmm  
(Repeat until music stops)

Missy:

You know what they say (4x)  
They say they be back  
They say he gone to the store  
He probably out drivin my car  
goin to pick up all his whores  
And I got one thing to say  
Why you tryin to flake on me  
I used to have you tamed  
now you act like you're untrained
