Lord I ve cried all of my tears and now I know it s time
Time to just let go and let you begun
Cause on my own it s been so hot
I m in need of change so the white flag is arased
I ve been started on your will cause I front and I felt
I follow will you leave I just wanna be free
I ve grown in the town I ll surrender to you now
Lord I surrender to you
Surrender to you
All that I am lord I need you to use
No, I m not perfect but you make it worth it
So I give up all my need I m fall and say
Here I am use me, use me
I m tired of runnin away
In the past couldn t stay cause of the guilt and shame
But lord you stay the same for that is ay thank you so
Not have but all me it s only you .me
I decided it s time to .now

I m run in the town I surrender to you now
Lord I surrender to you
Lord I Surrender to you
All that I am lord I need you to use
No, I m not perfect but you make it worth it
So I give up all my needs I m fall and say
Here I am use me, use me
Lord here I am, use me, use me
Lord here I am, use me, listen
2 x
You can and doubt for me
You gave your life so now I m free
All of me to you again
Surrender now and forever live
I say yes, lord I take over I .take me over
Not tomorrow but today
Here I am, have your way
Yes lord, I surrender you all
Give all to me
I surrender if you w.my mind
If you .my mind
Lord surrender, lord I surrender it all

Here I am, here I am,
I surrender it all
I give it to you
