I came apart inside a world made of angry people
I found a boy who had a dream
Making everyone smile
He was sunshine
I fell over my feet
Like bricks underwater
How am I supposed to tell you how I feel
I need oxygen

Chorus:

Oh baby, Let me be your lady
I would make you happy
I'm never gonna leave,
Never gonna leave
Oh baby, Can I be your lady
I'm going crazy for you

And so I found a state of mind
Where I could be speechless
I had to try it for a while
To figure out this feeling
This felt so right
Pull me upside down to a place
Where you've been waiting
How am I supposed to tell you how I feel
I need oxygen

Chorus:

Oh baby can I be your lady
I will make you happy
I'm never gonna leave,
Never gonna leave
Oh baby Can I be your lady
I am going crazy for you

And you don't wanna keep me waiting
Staring at my fingers
Feeling like a fool

Oh baby Can I be your lady
I'm goin crazy

I'm never gonna leave,
Never gonna leave,
Never gonna leave
Oh baby let me be your lady
I'll make you happy, yeah

Tell me what you want,
Baby tell me what you need
Anything I ask, baby give it to me
Baby give it to me, give it to me
Give it to me, give it to me
Baby give it to me, give it to me
