I really can't stay  
But baby, it's cold outside  
I've got to go away  
But baby, it's cold outside

This evening has been  
Been hoping that you'd drop in  
So very nice  
I'll hold your hands, they're just like ice

My mother will start to worry  
Beautiful, what's your hurry?  
My father will be pacing the floor  
Listen to the fireplace roar

So really I'd better scurry  
Beautiful, please don't hurry  
Well, maybe just a half a drink more  
Put some records on while I pour

The neighbors might think  
Baby, it's bad out there  
Say, what's in this drink?  
No cabs to be had out there

I wish I knew how  
Your eyes are like starlight  
To break the spell  
I'll take your hat, your hair looks swell

I ought to say no, no, no, sir  
Mind if I move in closer?  
At least I'm gonna say that I tried  
What's the sense in hurting my pride?  
I really can't stay, baby, don't hold out  
Oh, but it's cold outside

I simply must go  
But baby, it's cold outside  
The answer is no  
But baby, it's cold outside

This welcome has been  
How lucky that you dropped in  
So nice and warm  
Look out the window at that storm

My sister will be suspicious  
Gosh, your lips look delicious  
My brother will be there at the door  
Waves upon a tropical storm

My maiden aunt's mind is vicious  
Oh, your lips are delicious  
Maybe just a cigarette more  
Never such a blizzard before

I've got to go home  
But baby, you'll freeze out there  
Say, lend me your coat  
It's up to your knees out there

You've really been grand  
I'm thrilled when you touch my hand  
But don't you see  
How can you do this thing to me?

By there's bound to be talk tomorrow  
Think of my life long sorrow  
At least there will be plenty implied  
If you caught pneumonia and died  
I really can't stay, get over that hold out  
Oh baby, it's cold outside
