Ay, where you going?
I gotta go
You haven't even finish this drink
Mhmm mmm

I really can't stay
But baby, it's cold outside
I've got to go away
Baby, it's cold outside
This evening has been
Been hoping that you'd drop in
So very nice
I'll hold your hands, they're just like ice

My mother will start to worry
Beautiful, what's your hurry?
My father will be pacing the floor
Listen to the fireplace roar
So really, I'd better scurry
Beautiful, please don't hurry
Well maybe just half a drink more
Put some records on while I pour

The neighbors might think
Baby, it's bad out there
Say, what's in this drink?
No cabs to be had out there
I wish I knew how
Your eyes are like starlight
To break the spell
I'll take your hat, your hair looks swell

I ought to say no, no, no, sir
Mind if I move in closer?
At least I'm gonna say that I tried
What's the sense in hurting my pride?
I really can't stay
Baby don't hold out
Ah, but it's cold outside

Oh, oh, oh

Come on give me a chance
Hmm hmm

I simply must go
Baby, it's cold outside
The answer is no
Oh darling, it's cold outside
This welcome has been
I'm lucky that you dropped in
So nice and warm
Look out the window at that storm

Oh, oh, my sister will be suspicious
Man, your lips look delicious
My brother will be there at the door
Waves upon a tropical shore
My maiden aunt's mind is vicious
Gosh, your lips are delicious
Well maybe just half a drink more
Never such a blizzard before

I've got to go home
Baby, you'll freeze out there
Say, will you lend me your coat
It's up to your knees out there
You know, you've really been grand
I'm thrilled when you touch my hand
But don't you see
How can you do this thing to me?

Oh, oh, there's bound to be talk tomorrow
Think of my life long sorrow
At least there will be plenty implied
If you caught pneumonia and died
I really can't stay
Get over that hold out
Ah, baby it's cold outside

You better get back over here
Now, you don't give up, do you?
I gotta go home
Then why you go home then, it's fine
Fine, I'm leaving
Good, kill the environment and burn this wish

Oh, oh, I ought to say no, no, no, sir
Mind if I move in closer?
At least I'm gonna say that I tried
What's the sense in hurting my pride?
I really can't stay
Baby don't hold out

Ah, but it's cold outside
Ah, but it's cold outside

Dah de dah du da
It's no time of night to be leaving anyways
I gotta go
Give me one more hour
I don't trust you
It's for your own good, Colbie
I am having a really good time
