I think you took my heart away  
When you said you're leavin'  
Cause right now I am hurting, all over again  
And, I never thought that I'd be in this place, is this a  
mistake?  
And now, I don't know how much more that I can take

I'm breakin' at the cracks  
And everything goes black  
It's another heart attack  
And I can't handle that  
Whoa...love, I need you back

I know that I'll get through this

I got my feet back on the ground, and I'm turning  
around  
And I'll be everything you always said that I could be  
If only you'd be waitin' right here for me, patiently

I'm breakin' at the cracks  
And everything goes black

It's another heart attack  
And I can't handle that  
Whoa...love, I need you back

Oh never would I take it back  
My heart was filled with love  
And I, wipe these tears, and I will laugh  
If only I could make it last  
Make it last

I'm breakin' at the cracks  
And everything goes black  
It's another heart attack  
And I can't handle that  
Whoa...love, I need you back

I need you back  
I need you back  
I need you back

I need you back (I need you back)  
I need you back (I need you back)  
Love, I need you back  
Love, I need you back  
I need you back  
I need you back
