I've been awake for a while now  
You've got me feelin' like a child now  
'Cause every time I see your bubbly face  
I get the tingles in a silly place

It starts in my toes  
And I crinkle my nose  
Wherever it goes I always know  
That you make me smile  
Please stay for a while now  
Just take your time  
Wherever you go

The rain is fallin' on my window pane  
But we are hidin' in a safer place  
Under the covers stayin' safe and warm  
You give me feelings that I adore

They start in my toes  
Make me crinkle my nose  
Wherever it goes  
I always know  
That you make me smile  
Please stay for a while now  
Just take your time  
Wherever you go  
What am I gonna say  
When you make me feel this way?  
I just, mmm

It starts in my toes  
Makes me crinkle my nose  
Wherever it goes  
I always know  
That you make me smile  
Please stay for a while now  
Just take your time  
Wherever you go

I've been asleep for a while now  
You tucked me in just like a child now  
'Cause every time you hold me in your arms

I'm comfortable enough to feel your warmth

It starts in my soul  
And I lose all control  
When you kiss my nose  
The feelin' shows  
'Cause you make me smile  
Baby just take your time now  
Holdin' me tight

Wherever, wherever, where ever you go  
Wherever, wherever, where ever you go
