Verse:

I was running in circles
Was only a matter of time
Before I found myself drowning in troubled lies
Was staring back at what I'd seen for a long, long time
How did I break it?
How did I clear my mind?

Chorus:

This feeling just gets better all the time (just gets
better 2x)
This beautiful in front of me that I can't believe my eyes
(just gets better)
I know if I move ahead time is on my side
I'm free from the circle
They'll be no regrets this time

Verse:

I was hiding in places I know nobody could find
Until I found myself spinning in rewind
Was staring back at what I'd seen for a long, long
time
I had to break it
I had to clear my mind

Chorus:

This feeling just gets better all the time (just gets
better 2x)
This beautiful in front of me that I can't believe my
eyes (just gets better)
I know if I move ahead time is on my side
I'm free from the circle
They'll be no regrets this time

Bridge:

Hard times that I like to forget about
So much I held inside
God let it out
It took a while to find it
But now I'm here and I can't deny it

Chorus:

This feeling just gets better all the time (just gets
better 2x)
This beautiful in front of me that I can't believe my eyes
(just gets better)
I know if I move ahead... time is on my side
I'm free from the circle
They'll be no regrets this time
