I'm just so tired of these troubles that I try to hide  
Makes me wanna wash away my whole world inside  
Think it's time that I make changes in the things I do  
This weight on my chest, I am ready to lose

All this time I've been getting in my own way  
I have to tell myself  
Only I can be the one to make a change

Don't hold me down  
Oh, I was getting so far  
Don't hold me down  
'Cause I don't wanna fall apart

Don't hold me down  
You see I'm waking up, I feel it now  
I'm breaking out  
And nothing's gonna stop me now  
No, no

I've been rocking back and forth, leaning across the  
line  
Hanging over for a moment on the wrong side  
Now I'm standing up, I think I'll be here for a while  
Hope I remember how to keep on this steady smile

And all that time I was getting in my own way  
I had to tell myself  
If only I can be the one to make a change

Don't hold me down  
Oh, I was getting so far  
Don't hold me down  
'Cause I don't wanna fall apart

Don't hold me down  
You see I'm waking up, I feel it now  
I'm breaking out  
And nothing's gonna stop me now

You know I'm gonna fight it  
I'm tired of being blinded

So, I won't hold me down  
I wanna go so far  
I won't hold me down  
No, I don't wanna fall apart

Don't hold me down  
You see I'm waking up, I feel it now  
I'm breaking out  
And nothing's gonna stop me now  
No, no

Nothing's gonna stop me now  
No, no, no, no, no, no, no, no
