I'm leaving you
I'm not sure if that's what I should do
It hurts so bad
I'm wanting you but can't go back
Trying to find, to find
That all elusive piece of mind
Stuck here somehow
Shrouded beneath my fear
And now I don't need it

Cuz I'm walkin down this road alone and figured all I'm
thinking bout is you, is you my love
And my head is in a cloud of rain and the world it
seems so far away and I'm just waiting for
The droplets, droplets

You left a mark
I wear it proudly on my chest
Above my heart Above my heart
To Remind me that I feel the best
When I'm with you When I'm with you
To me everything is effortless
You know it's true
My eyes are painted with regret and I don't need it

Cuz I'm walkin down this road alone and figured all I'm
thinking bout is you, is you my love
And my head is in a cloud of rain and the world it
seems so far away and I'm just waiting to fall and sink
into your tears

You are like the raindrops, the raindrops falling down
on me

You left a mark you left a mark
She left a mark he left
She left he left
And I don't I don't
Need it. Need it
