If that's the way you love
You've got to learn so much
If that's the way you say goodbye

And this is how it ends
And I'm alright within
Never going to see me cry
Cause I've cried

Chorus:
So go on, go on and break my heart
I'll be okay
There's nothing you can do to me
That's ever going to burn me

So go on, go on and leave my love
Out on the street
I'm fearless
Better believe I'm fearless, fearless

So oh woh oh woh oh...

If this is how it hurts
It couldn't get much worse
If this is how it feels to fall

Then that's the way it is
We live with what we miss
We learn to build another wall
Till it falls

Chorus:
So go on go on and break my heart
I'll be okay
There's nothing you can do to me
That's ever going to burn me

So go on, go on and leave my love
Out on the street
I'm fearless
Better believe I'm fearless, fearless

So oh woh oh woh...

If it's between love and losing
To never have known the feeling
And I'm still sad we've loved

And if I end up lonely
At least I will be there knowing
I believe in love

Go on, go on break my heart
I'll be okay
I'm fearless
Better believe I'm fearless, fearless

Go on, go on and break my heart
I'll be okay
There's nothing you can do to me
That's ever going to burn me

So go on, go on and leave my love
Out on the street
I'm fearless
Better believe I'm fearless

So oh woh oh...

So go on and leave my love
Go on and leave my love
Go on and leave my love
Better believe I'm fearless, fearless
Fearless...
