It's always been about me, myself, and I  
I thought relationships were nothing but a waste of time  
I never wanted to be anybody's other half  
I was happy saying I had a love that wouldn't last  
That was the only way I knew 'til I met you

You make we wanna say  
I do, I do, I do, do do do do do do do do  
Yeah, I do, I do, I do, do do do do do do do do  
Cause every time before it's been like  
Maybe yes and maybe no  
I can't live without it, I can't let it go  
Ooh what did I get myself into?  
You make we wanna say I do, I do, I do, I do, I do, I do

Tell me is it only me  
Do you feel the same?  
You know me well enough to know that I'm not playing  
games  
I promise I won't turn around and I won't let you down  
You can trust I've never felt it like I feel it now  
Baby there's nothing, there's nothing we can't get  
through

So can we say  
I do, I do, I do, do do do do do do do do

Oh baby, I do, I do, I do, do do do do do do do do  
Cause every time before it's been like  
Maybe yes and maybe no  
I won't live without it, I won't let it go  
What more can I get myself into?  
You make we wanna say

Me, a family, a house, a family  
Ooh, can we be a family?  
And when I'm eighty years old I'm sitting next to you

And we'll remember when we said  
I do, I do, I do, do do do do do do do do  
Oh baby, I do, I do, I do, do do do do do do do do  
Cause every time before it's been like

Maybe yes and maybe no  
I won't live without it, I won't let us go  
Just look at what we got ourselves into  
You make we wanna say I do, I do, I do, I do, I do, I do,  
Love you
