I miss those blue eyes  
How you kiss me at night  
I miss the way we sleep

Like there's no sunrise  
Like the taste of your smile  
I miss the way we breathe

But I never told you  
What I should have said  
No, I never told you  
I just held it in

And now,  
I miss everything about you  
Can't believe that I still want you  
And after all the things we've been through  
I miss everything about you  
Without you

I see your blue eyes  
Everytime I close mine  
You make it hard to see  
Where I belong to  
When I'm not around you  
It's like I'm alone with me

But I never told you  
What I should have said  
No, I never told you  
I just held it in

And now,  
I miss everything about you  
Can't believe that I still want you  
And after all the things we've been through  
I miss everything about you  
Without you

But I never told you  
What I should have said  
No, I never told you

I just held it in

And now,  
I miss everything about you  
Can't believe that I still want you  
And after all the things we've been through  
I miss everything about you  
Without you
