I won't do what you told me
I won't do what you said (no)
I'm not gonna stop feeling
I'm not gonna forget it
I don't wanna start over
I don't wanna pretend it
You are not my lover
Guess you're only my friend

Cause when it took my heart
It took it all
When you gave it back
I fell apart

So...

I won't do what you told me
I won't do what you said, no
I'm not gonna stop feeling
I'm not gonna forget it
I don't wanna start over
I don't wanna pretend it
You are not my lover
Guess you're only my friend
My friend
I won't...

Well, maybe you're not right for me
Maybe this is hard to see
I get lost in your beauty
And I just stop questioning
Cause when you took my heart
You took it all
When you gave it back
It fell apart

So...

I won't do what you told me
I won't do what you said, no
I'm not gonna stop feeling
I'm not gonna forget it

I don't wanna start over
I don't wanna pretend it
You are not my lover
Guess you're only my friend
Friend
I won't...

You say it's easier to burn than to build
You say it's easier to hurt than to heal
But I say you lose when you give up what you love
And I've lived my life without you long enough

So...

I won't do what you told me
I won't do what you said, no
I'm not gonna stop feeling
I'm not gonna forget it
I don't wanna start over
I don't wanna pretend it
You are not my lover
Guess you're only my friend
Friend
I won't...

No, I won't...
