I'm staring at a broken door  
There's nothing left here anymore  
My room is cold  
It's making me insane

I've been waiting here so long  
But now the moment seems to come,  
I see the black clouds coming up again.

Running through the monsoon  
Beyond the world,  
To the end of time,  
Where the rain won't hurt  
Fighting the storm,  
Into the blue,  
And when I lose myself I think of you,  
Together we'll be running somewhere new  
Through the monsoon.  
Just me and you

A half moon's fading from my sight  
I see a vision in it's light  
But now it's gone and left me so alone  
I know I have to find you now  
Can hear your name, I don't know how  
Why can't we make this darkness feel like home?

Running through the monsoon  
Beyond the world  
To the end of time  
Where the rain won't hurt  
Fighting the storm  
Into the blue  
And when I loose myself I think of you  
Together we'll be running somewhere new  
And nothing can hold me back from you  
Through the monsoon

Hey! Hey!

I'm fighting all this power  
Coming in my way

Let it send me straight to you  
I'll be running night and day  
I'll be with you soon  
Just me and you  
We'll be there soon  
So soon

Running through the monsoon  
Beyond the world  
To the end of time  
Where the rain won't hurt  
Fighting the storm  
Into the blue  
And when I lose myself I think of you  
Together we'll be running somewhere new  
And nothing can hold me back from you  
Through the monsoon

Through the monsoon  
Just me and you  
Through the monsoon  
Just me and you
