You called me on the phone today,  
Said those words you always say,  
And I cried.

I've gotta figure out what's going on inside this head of  
mine,  
I try.

I'm going crazy thinkin' 'bout the way I shouldn't have  
left it all behind.  
But now I'm gone and somethings wrong,  
I changed my mind.

[Chorus]  
I'm so in love with you,  
I don't know what to do this time,  
And though you're out of sight,  
You're never ever out of my mind.

I saw you just the other day,  
Those feelings never went away,  
And I smiled.  
I told [incomprehensible]  
And I want us to be friends,  
And we'll be alright.

Don't know what to say,  
It's getting harder everyday,  
But it takes time.

You should know,  
I'm coming home.  
Standby.

[Chorus]

And as the time passes by,  
I fall asleep, without you by my side.  
I go out of my mind,  
Remembering the way we were.  
Before.

[Chorus]

Oh no, no no no.  
Ooo. ooo.

I'm so in love with you,  
I don't know what to do,  
This time.
