I came apart inside a world
Made of angry people
I found a boy who had a dream
Making everyone smile
He was sunshine
I fell over
My feet like bricks under water
And how am I supposed to tell you how I feel?
I need oxygen
Oh baby, if I was your lady
I will make you happy
I'm never gonna leave, never gonna leave
Oh baby, I would be your lady
I am going crazy...for you
And so I found a state of mind
Where I could be speechless
I had to try it for a while
To figure out this feeling
This felt so right
Pull me upside
Down to a place where you've been waiting

And how am I supposed to tell you how I feel?

I need oxygen

Oh baby, if I was your lady

I will make you happy

I'm never gonna leave, never gonna leave

Oh baby, I would be your lady

I am going crazy...for you

And you don't wanna keep me waiting

Staring at my fingers

Feeling like a fool

Oh baby, I would be your lady

I would make you happy

I'm never gonna leave, never gonna leave

Oh baby, I would be your lady

I am going crazy

Yeah oh woah oh oh

Tell me what you want

Baby tell me what you need

Anything I ask, baby give it to me

Baby give it to me, give it to me

I came apart inside a world

Made of angry people

I found a boy who had a dream

Making everyone smile
