I came apart inside a world made of angry people  
I found a boy who had a dream  
Making everyone smile  
He was sunshine  
I fell over my feet  
Like bricks underwater  
How am I supposed to tell you how I feel  
I need oxygen

Chorus:

Oh baby, Let me be your lady  
I would make you happy  
I'm never gonna leave,  
Never gonna leave  
Oh baby, Can I be your lady  
I'm going crazy for you

And so I found a state of mind  
Where I could be speechless  
I had to try it for a while  
To figure out this feeling  
This felt so right  
Pull me upside down to a place  
Where you've been waiting  
How am I supposed to tell you how I feel  
I need oxygen

Chorus:

Oh baby can I be your lady  
I will make you happy  
I'm never gonna leave,  
Never gonna leave  
Oh baby Can I be your lady  
I am going crazy for you

And you don't wanna keep me waiting  
Staring at my fingers  
Feeling like a fool

Oh baby Can I be your lady  
I'm goin crazy  
I'm never gonna leave,

Never gonna leave,  
Never gonna leave  
Oh baby let me be your lady  
I'll make you happy, yeah

Tell me what you want,  
Baby tell me what you need  
Anything I ask, baby give it to me  
Baby give it to me, give it to me  
Give it to me, give it to me  
Baby give it to me, give it to me
