I'm still feeling the rain fall,
bouncin' off my skin.
How long do I have to wait for
the sun to shine again?
Come out and paint me a rainbow,
so I can follow it.
I don't know where it will take me,
but I like wanderin'.

Whoever you are,
where will you be?
Are you the same old dreamer
I've been waiting on for me?
Waiting for love,
waiting for the same old dreamer
on the other side.
Hoping no matter how far,
I'm gonna find my way to you,
following a rainbow.
Oh oh, oh oh, Yeah.

I'm gonna stop in the middle,
hang my feet off the edge.
I got no reason to worry,
I know I'll find the end;
and that's where you'll be waiting,
I hope you don't forget,
that I won't quit 'til I find you,
no matter the risks.

Whoever you are,
where will you be?
Are you the same old dreamer
I've been waiting on for me?
Waiting for love,
waiting for the same old dreamer
on the other side.

Hoping no matter how far,
I'm gonna find my way to you,
following a rainbow.
Oh oh, woah oh oh, woah oh. Yeah.

Stuck in my mind,
I'm wasting time.
Still on my own.
I never thought that I would find
my way into the light
dreaming to find

Whoever you are,
where will you be?
Are you the same old dreamer
on the other side waiting for me?
Waiting for love,
waiting for the same old dreamer
on the other side.
Hoping no matter how far,
I'm gonna find my way to you,
following a rainbow.
Oh oh woah woah woah, yeah yeah yeah.

I know I'm gonna find you, I know.
I know I'm gonna find you.
I know I'm gonna find you,
I'm never gonna let you go.
I know I'm gonna find you,
I know I'm gonna find you;
I won't let you go.
Oh oh, woah woah woah.
(I'm following,
I'm following,
I'm following,
I'm following a rainbow;
I'm following a rainbow.)
