[Verse 1:]

Take time to realize,
That your worth is
Crashing down on in.
Take time to realize,
That I am on your si-i-i-de
Didn't I, didn't I tell you.

But I can't spell it out for you,
No, it's never gonna be that simple
But I can't spell it out for you

[Chorus:]

If you just realize what I've just realized,
Then we'd be perfect for each other
And we'll never find another
Just realized what I just realized
We'd never have to wonder if
We missed out on each other now.

[Verse 2:]

Take time to realize
Oh-oh I'm on your si-i-i-de
Didn't I, didn't I tell you.
Take time to realize
That this all can pass by
Didn't I didn't I tell you

[Refrain:]

But I can't spell it out for you,
No it's never gonna be that simple
But I can't spell it out for you.

[Chorus:]

If you just realized what I just realized
Then we'd be perfect for each other
And we'd never find another
Just realized what I've just realized
We'd never have to wonder if
We missed out on each other but.

[Verse 3:]

It's not that the same

No it's never the sa-a-ame
If you don't feel it too.
If you meet me half way
If you 'd meet me half way.
It could be the same for you.

[Chorus:]

If you just realize what I just realized
Then we'd be perfect for each other
And we'd never find another
Just realize what I just realized
We'd never have to wonder no-o-w

Just realize what I just realized

If you just realize what I just realized

Oh...

Missed out on each other now
Missed out on each other now
Missed out on each other now

Realize, realize
Realize, realize
