I'm just thinking 'bout the time when I met you
But now I'm thinking 'bout how I can forget you
You had my heart from the start but it faded
I needed space, wanted someone else
I had to leave you just to realize that I miss you
Now I don't know what I did

I'm runnin' around baby
I'm runnin' around without you baby
I'm runnin' around all over town
But I look everywhere and no one compares
'cause nothing's as good if I'm without you

I am hoping that you try to forgive me
Maybe we can fall in love again completely
You had my heart don't you ever forget that
I'm coming back for it I promise you
I had to leave you just to realize that I need you
Now I'm changing, I can't take this

Runnin' around baby
I'm runnin' around without you baby

I'm runnin' around all over town
But I look everywhere and no one compares
Because nothing's as good if I'm without you

Do you think that I could have one more try
I promise you that I will always stand by you
'cause I am through with

Runnin' around baby
I'm runnin' around without you baby
I'm runnin' around all over town
But I look everywhere and no one compares
'cause nothing's as good if I am

Runnin' around baby
I'm runnin' around without you baby
I'm runnin' around got my feet on the ground
And I'm missin' your face, I'm going insane
'cause nothing's as good if I'm without you

I am runnin' around all over town
But I look everywhere and no one compares
'cause nothing's as good if I'm without you
