I found a way to be everything

I dreamed of

And I know it to me that I will become

Who I want to be

And I finally found it

And I'm takin' the long way out

Cause it's gonna be

Somethin' special to me x2

\*Chorus\*

Days go by and I'll grow stronger

It takes time but I'll never let go

Days go by and I'll try harder

To make it mine

It's somethin' special to me x3

I found so many things

I dreamed of

And I know it to me

That I will become

Who I want to be

And I finally found it

And I'm takin' the long way out

And it's gonna be

Somethin' special to me x2

\*Chorus\*

It's somethin' special to me

More than I hoped for

More than I dreamed of

This is how it should be

More than I hoped for

More than I dreamed of

This is how it should be

\*Chorus\*

It's somethin' special to me x8
