# "Something Special"

Visit "[Something Special](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Verse:

I found a way to be everything  
I dreamed of  
And I know it to me that I will become  
Who I want to be  
And I finally found it  
And I'm takin' the long way out  
Cause it's gonna be  
Somethin' special to me  
Somethin' special to me

Chorus:

Days go by and I'll grow stronger  
It takes time but I'll never let go  
Days go by and I'll try harder  
To make it mine  
It's somethin' special to me  
It's somethin' special to me  
It's somethin' special to me

Verse:

I found so many things  
I dreamed of  
And I know it to me  
That I will become  
Who I want to be  
And I finally found it  
And I'm takin' the long way out  
And it's gonna be  
Somethin' special to me  
Somethin' special to me

Bridge:

It's somethin' special to me  
More than I hoped for  
More than I dreamed of  
This is how it should be  
More than I hoped for  
More than I dreamed of  
This is how it should be

( repeat chorus skip to ending )

Ending:

It's somethin' special to me

It's somethin' special to me

It's somethin' special to me

It's somethin' special to me

It's somethin' special to me

It's somethin' special to me

It's somethin' special to me

It's somethin' special to me
