[Verse One]

The little things, you do to me are,
Taking me over, I wanna show ya
Everything inside of me,
Oh,
Like a nervous heart that, is crazy beatin,
My feet are stuck here, against the pavement
I wanna break free, I wanna make it
Closer to your eyes, get your attention,
Before you pass me by...

[Chorus]

Back up, back up,
Take another chance,
Don't you,
Mess up, Mess up,
I don't wanna lose you,
Wake up, wake up,
This aint just a thing that you,
Give up, give up,
Don't you say that I'd be,
Better off, better off,
Sleepin by myself and wantin the rain to come,
Better off, better off,
Without you boy...
