Oh, I don't know what to say and I have told you lately
That I'm tired of talking about the same odor reeks
And the week change
Just take it easy, don't worry about a thing, mistakes

'Cause I'm keeping it cool, I'm thinking about you
Sticking around and if we should pay
Tied down and looking around, I know what I want
So, don't hold me down, oh I, I don't play games

And I, I have been learning
To just to let it all go and stay quiet when I feel like
speaking
My mind done whatever it is
I need to make clear and just say

That I'm keeping it cool, I'm thinking about you

Sticking around and if we should pay
Tied down and looking around, I know what I want
So, don't hold me down, down, down, don't you hold
me down

Oh, oh, 'cause I'm keeping it cool, I'm thinking about
you
Sticking around and if we should pay
Tied down, I'm looking around and I know what I want
So, don't hold me down

Oh I, I can't take it
So, please, please, please, won't you listen
To the troubles all around me, I'm caught up and I'm
barely breathin'
But I'm finding that holding on is harder than never
leaving

Oh I, oh, oh I, oh I, oh
