Girl you put it on me
...
So I ain't going to mess around
I'll be putting it down
Girl I'll be thinking on...
But enough about me
Make you going crazy
Make you be my mama lady
Make me running around girl

Chorus

Got me in the mood tonight
I'm gonna put it down tonight
Got me in the mood
So I'm gonna put it down tonight
Got me saying uhh uhh
Put it on me
Got you saying uhh uhh
Put it on me put in on me

Got my time
We can do it all night
It don't matter to me
...
Ain't gonna come to an end
...
Make you going crazy
Make you be my mama lady
Make me running around girl

Chorus
