Konvict, Konvict

Oooh Oooh Oooh Oooh
Oooh Oooh Oooh Oooh

Colby O'Donis:
I peeped you on the phone
Just showin' off ya stones
And notice that that pinky ring is bright enough baby
I know you're not alone
But I could just be wrong
The way them fellas houndin' and sizin' you up baby

Colby O'Donis:
And I like the way you take advantage of
Every man you love
I see, and I know your game girl
But I don't mind if ya come and play with thugs
Just don't talk too much
I see, you're so cute you don't have to say a word
Yeah those guys wanna come treat ya right
Cause you're sweeter than apple pie
Everything that you want you got
Girl you know that you need to stop
Most beautiful thing in sight
Always takin' on the spotlight
Always in the club lookin hot
Girl you know that you need to stop

Colby O'Donis:
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Girl you know that you need to stop
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Girl you know that you need to stop

Colby O'Donis:
Girl I can tell you want something to love

That's why you hold on to everything that pass you by
Can't resist girl one can't lie
Now tell if you are here for me
Or everybody watchin' you shake from left to right
The way you move got me hypnotized
Colby O'Donis:
The way you take advantage of
Every man you love
I see, and I know your game girl
But I don't mind if ya come and play ya thug
Just don't talk too much
I see, you're so cute you don't have to say a word

Yeah those guys wanna come treat ya right
Cause you're sweeter than apple pie
Everything that you want you got
Girl you know that you need to stop
Most beautiful thing in sight
Always takin' on the spotlight
Always in the club lookin hot
Girl you know that you need to stop

Colby O'Donis:
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Girl you know that you need to stop
Always talkin' bout what you got (Oooh)
Always talkin' bout what you got (Oooh)
Always talkin' bout what you got (Oooh)
Girl you know that you need to stop

Akon:
I gotta keep my eyes away from you girl when you get
on the floor and do what you do
And errbody wanna come back to that time that remind
me sumin like you
Cause your that type to drive a man crazy you'll snatch
him away from his lady
No matter how hard the man hold back he'll end up
callin' you later (baby)
you never really know what to do once you expose that
thing you do
Ya had him crawlin' on hands and knees and ya find a
way to get him out that cheese
And why ya thinkin' you the only dude she off in the
mall livin' off of you
Lettin' errbody know she got you but now you feel like a
fool

Colby O'Donis:

Yeah those guys wanna come treat ya right
Cause you're sweeter than apple pie
Everything that you want you got
Girl you know that you need to stop
Most beautiful thing in sight
Always takin' on the spotlight
Always in the club lookin hot
Girl you know that you need to stop

Colby O'Donis:

Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Girl you know that you need to stop
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Girl you know that you need to stop
