I know that you been working 9-5 girl 9-5 girl
Gotta act professional but you too fly girl
you too fine girl
Too fine to be taking shit from any guys girl,
so tell me why do you stay yea yea,

baby you should be not breaking your back working
endlessly
you should chase your dreams
you should chase your dreams
baby I should be the guy that provides all of your needs
I'm behind your dreams
110 you'll see yea

[Don't Turn Back Lyrics On]
baby don't turn back don't look back,
you stressing up aint ya love,
don't turn back don't look back cause I done found a
way
baby don't turn back don't look back visualize kite in
the sky be amazed,
that what you think and see, ill make reality do do do
don't turn back

now I know you think I'm crazy but I'm bout girl,
the only things that make ya happy scratch the frowns
girl,
cause a princess in your form without the crown girl,
I felt that I had to say yea yea

Baby you should be not breaking your back working
endlessly
you should chase your dreams
you should chase your dreams
and baby I should be the guy that provides all of your
needs
I'm behind your dreams
110 you'll see yea
