Heyy, Yeahh

Come on. Let's go (unh)
Let's go, Come on, let's go
Konvict

Heyy

She said she wanna go, go, go, go (uh oh)
Back with me to the mo, mo
Wanna ride on them fo's, fo's
Player's get yours, girl let's roll
Head to toe fasho you cold
Me and you like diamonds and gold
You got a partner for Colby O
Lil mama you looking cold
Why these other girls on my jock
Always talking bout what I got
That's what we like to call a bop
Girl you know that you looking hot
All them other broads need to stop
Have a seat while I drop the top
Come on let's roll back to my spot your world's about to
get rocked

Uh oh
You live in this lane
Your body's insane
You wanna do the motion like the ocean hey
(Uh oh)
And I'm gonna do what you want me to girl
Hey

All you gotta do is let me know, me know, me know
And I promise that I won't say no, say no, say no
Said she wanna go, go, go, go, go, go, go, go, go, go,
go, go, go
Said she wanna go, go, go, go, go, go, go, go, go, go,
go, go, go

(Uh oh)
A hint of the life a sweet paradise
It's all the things I'm laying on the plate for you
(Uh oh)
I don't wanna stall off from girl at all
I just wanna be with you

All you gotta do is let me know, me know, me know
And I promise that I won't say no, say no, say no
Said she wanna go, go, go, go, go, go, go, go, go, go,
go, go, go
Said she wanna go, go, go, go, go, go, go, go, go, go,
go, go, go

(Uh oh)
Nice thick frame off the chain
Damn you look good what's your name
Sweetest candy cane thick like cookie dough
Down at bank watch so the wrist glow
Miss so and so move like a yo yo up down get low, stop
go
Baby got more back than a little bit
Apple bottom main brand you a little thick (uh oh)
Top pick super fly bad chick drop down to the flo low
like a bumper kit
Same color as a Reese's cup peanut butter on your skin
yes that's what's up (uh oh)
So soft like ice cream hot like chicken wing
How the hell did you fit in them jeans
Bouncing up and down like a spring
Come on over and join the team and let's go

Said she wanna go, go, go, go, go, go, go, go, go, go,
go, go, go
Said she wanna go, go, go, go, go, go, go, go, go, go,
go, go, go
Said she wanna go, go, go, go, go, go, go, go, go, go,
go, go, go
Said she wanna go, go, go, go, go, go, go, go, go, go,
go, go, go

(Uh oh)
(Uh oh)
(Uh oh)
