Ohhh yeah

So live for fascination driven to our name
So we look for opportunities to join the game

Chorus:

I want the fame, fame, I want the fame, fame
It's not a game, game, I want the fame fame
I want the fame

The stage becomes my dance floor
And I let all my troubles slip away
And if you're having problems,
Just look to it and it can ease the pain
Cuz the cribs and the visits the money and more
Because I know all about it and never doubt it oh

Heyy, yes I want it really want it, yes I want it yes I do

Chorus:

I want the fame, fame, I want the fame, fame
It's not a game (it's not a game), game, I want the fame
(I want the fame)
I want the fame

Oh

Feel it?

Bridge:

Say 1 2 3 4 I'll get this fame won't sit no more
1 2 3 4 I'll get this fame won't sit no more
Say 5 6 7 8 please please do not discriminate
5 6 7 8 please please do not discriminate

Chorus:

I want the fame, fame, I want the fame, fame
It's not a game (it's not a game), game, I want the fame
(I want the fame)
I want the fame, fame, I want the fame, fame
It's not a game, game, I want the fame, fame,

I want the fame
