[Verse 1]

No I've seen too many wannabe players  
Turn around and get played  
'Cause they be underestimated female now a days  
So I'm staying on my toes  
I never get too comfortable  
But when I run into you  
I just seem to lose control, ohh

[Hook]

Didn't mean to get so caught up  
Now I'm calling you constantly  
I can feel the attraction attracting me to ya  
And I'm so caught up  
No, no, don't you ever leave  
Just stay with me, just stay with me

[Chorus:]

Finally, gravity pulled us closer  
I feel like somebody just knocked me over  
And I'm falling  
I'm falling so in love with you  
With you, with you

[Verse 2]

Now I thought it only worked on suckers  
Can't nobody fit the game on me  
But I'm chasing after ya  
See you found a symphony  
'Cause I fell so deep in love

Tryna be where you are  
And I just lose control

[Hook]

Didn't mean to get so caught up  
Now I'm calling you constantly  
I can feel the attraction attracting me to ya  
And I'm so caught up  
No, no, don't you ever leave  
Just stay with me, just stay with me

[Chorus]

Finally, gravity pulled us closer  
I feel like somebody just knocked me over  
And I'm falling  
I'm falling so in love with you  
With you, with you

[Slow Bridge]

Finally, gravity pulled us closer  
I feel like somebody just knocked me over  
And I'm falling  
I'm falling so in love with you  
With you, with you

[Chorus]

Finally, gravity pulled us closer  
I feel like somebody just knocked me over  
And I'm falling  
I'm falling so in love with you  
With you, with you
